

REPORTING TO PARENTS 2019

Dear Parents,

As you know, in 2018 we moved to a digital reporting platform, LINC-ED. LINC-ED allows us to:

- upload student's work as evidence of learning
- set goals linked directly to the curriculum
- communicate curriculum level information at mid year and end of year

Each term the posts on LINC-ED will focus on specific aspects of student's learning; this is what you can expect for reporting in 2019:
